SIR

With reference to your letter No 7118/Edn 159-13-7 dated the 22nd January 1914 calling for certain information regarding the alteration in the date of birth of T Krishnappa Assistant Master Anglo-Vernacular School Nagadi I have the honour to inform you that the Head Master altered the date of birth in the Service Register from 1876 to 21st November 1876 on the representation of the Assistant Master that the latter had been accepted by the Insurance Secretary

Neither the Head Master nor the Assistant Master applied for permission for the correction as both of them were ignorant of the rules on the subject This irregularity was noticed in the Circle Inspector's office Bangalore only last year in connection with the preparation of the Annual Schedules This accounts for the delay in ~~~~ applying for the permission

The Service Register and the Master s explanation in original are herewith submitted for reference and favour of return when done with
